New Resort Project Started

Oppose Convicts and Delinquents for Sonoma Farm

State Highway Commissioners In Sonoma Valley Tuesday

FIGHT IS STARTED AGAINST THE NEW LEGISLATIVE BILL

Measure Which Would Bring San Quentin Women Prisoners Here Is Advocated By Club Women.

By WALTER P. JONES
(From Sacramento Bee)

A formidable lobby of club women and social workers has been rushed to the legislature in the hope of stemming the tide that is rising in opposition to the perpetuation by the state of the prison farm for women, located near Sonoma.

The lobby is very active in button-holing legislators and in passing out propaganda designed to change the view of solons relative to the prison farm, which not only has proved a failure so far as reclaiming fallen women is concerned but also a most costly experiment.

On the desk of every legislator the club women placed a pamphlet lauding the prison farm and endeavoring to defend it against the legitimate and unanswerable attacks that have been made on the institution by state officials and others.

One paragraph in this pamphlet, aimed to emphasize why the prison farm should be continued as a state institution has the opposite effect. It cinches the point made by the director of the state department of institutions in his biennial report to Governor William D. Stephens that the state is duplicating the work of the state hospitals in maintaining the prison farm.

The paragraph in question reads: Although in some quarters commitment to the farm has been discouraged, 54 wards have been received since it opened a year ago. Forty-four per cent of them were found to be drug addicts; 24 per cent alcoholics and 32 per cent were victims of neither drugs or alcohol.

In other words, of the 54 inmates sentenced to the prison farm in one year, 37 were drug addicts and female inebriates and only 17 were prostitutes, while the reformation of the latter was the sole purpose for which the prison farm was created in 1919.

Aside from the fact that it is a waste of state funds to maintain a separate institution for the care of female drug addicts and inebriates who for years have been properly cared for in the state hospitals, it is unfair to women addicted to the excessive use of narcotics and alcohol to place them in prison with probably confirmed and hardened prostitutes.

The narcotic and alcoholic addicts rightfully should go to a hospital where they could be scientifically treated by medical experts in the hope of effecting a cure of the habit which holds them in its grasp.

Prostitution is not a disease or a habit, but is a sin which cannot be eradicated or successfully treated by medical science, if at all. As far back as history relates reformers have attempted to blot out prostitution but always the attempts have resulted in failure.

Various schemes are on foot to save the prison farm, and the act creating it, one of them being a bill in-

CHALK MILL MAY BE STARTED HERE

Development Work Continues on Diatomaceous Earth Mine and Product May be Shipped from Sonoma.

The diatomaceous earth which, is being mined from deposits under lease on the Goldstein ranch by the American Minerals Company may be hauled from the mine above Agua Caliente and ground up for shipment in Sonoma. Superintendent Durfee has been approached by prominent Sonoma business men who would like to see a mill erected here to handle the chalk. If a site along the railroad is offered, it is possible that the company will locate the mill here instead of at Agua Caliente along the S. P. as now planned.

Considerable road work is now being done to facilitate hauling out the chalk from the hills. The white mineral being mined here is of the best grade of diatomaceous earth on the market today, according to government analysis, and will soon be shipped from Sonoma Valley at the rate of 10 carloads a day. Other sources of supply are Lompoc in Santa Barbara county, Virginia, and foreign countries. The light, porous mineral is used for filtering oil and sugar, insulating refrigerator cars, etc., paints, for dry cells and phonograph records.

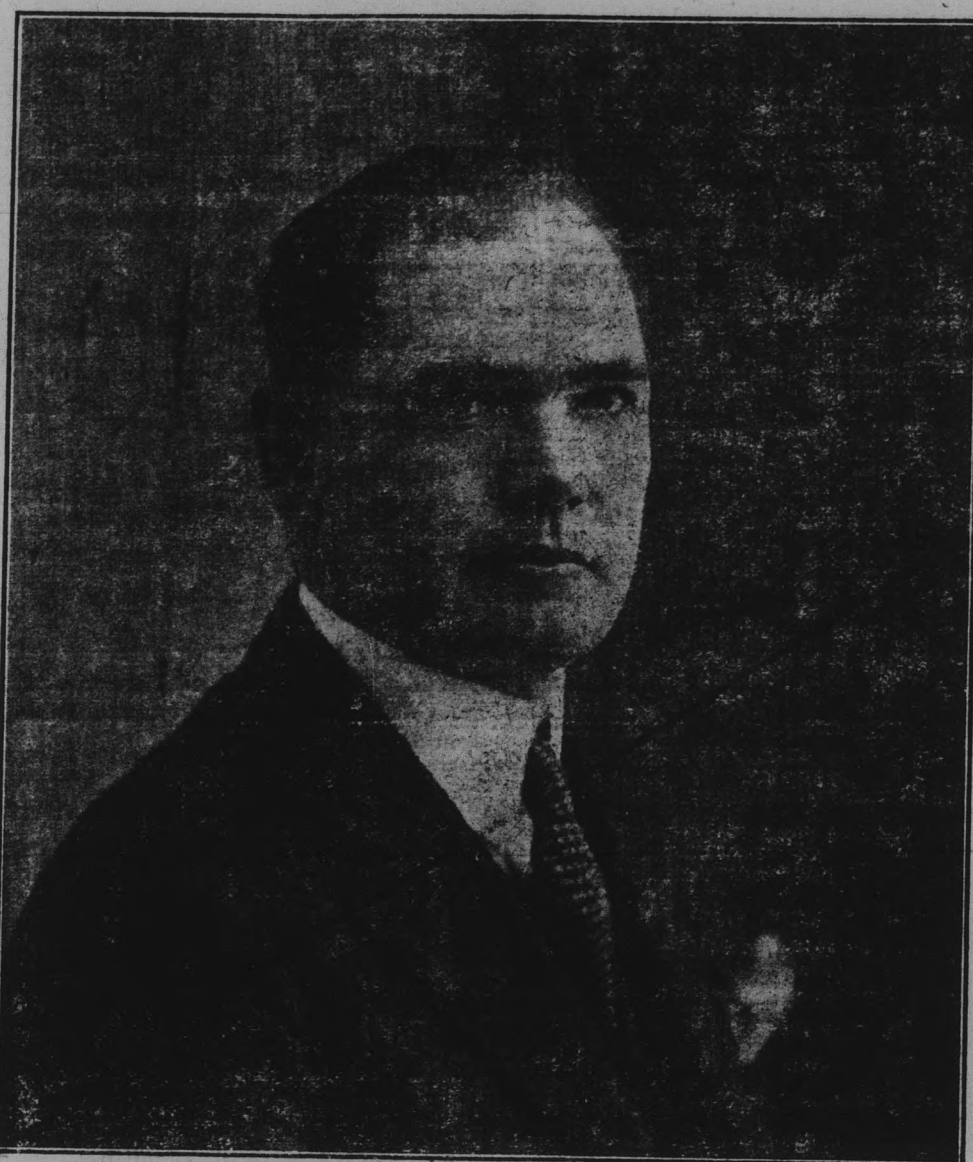

The Sonoma Valley deposits near Agua Caliente and on the London ranch reveal rich ledges and the industry promises to develop far beyond the expectation of E. L. Raymond, lessee of the properties on which development work has started. Among local boosters of the industry is William F. Clewe, who is deeply interested in the future of the mine and believes it will prove successful and be a great benefit to Sonoma and the entire valley.

Introduced by Assemblyman Eleanor Miller to transfer to the institution all women inmates of San Quentin prison to Sonoma.

Judge McLaughlin, who is a member of the state board of prison directors that has supervision over San Quentin prison, declared he is opposed to any such plan.

"As a matter of economy," said McLaughlin, "I am opposed to transferring the women's prison farm into an annex of the San Quentin prison. The plan would require a separate administrative force to care for and guard the women prisoners which would be a needless expense. Furthermore, women convicted of murder and other high crimes and now confined behind prison walls at San Quentin could not be turned loose in the yard of the prison farm with only a picket fence between them and freedom. The women's quarters at San Quentin are crowded, but if a new cell house is not built for them inside the prison walls it should be erected sufficiently close to the prison proper to eliminate the necessity of a separate administrative force."

There was a pleasant family reunion at the Edrington home on Broadway Monday. Mrs. Edrington's brother, Charles D. Stearns, of Los Angeles, and Santa Rosa relatives, were here.

HARRY D. SPEAS, PRESIDENT SONOMA MISSION INN, INC.

Capitalists to Take Over Golf Links and Boyes Springs. Sonoma Mission Inn to be Built.

Superior California is to have a high class tourist hotel, second to none in California, according to an announcement made by directors of a newly organized corporation known as the Sonoma Mission Inn, Incorporated.

The hotel is to be built on the Bigelow ranch in the famous Valley of the Moon, near Sonoma City, where the golf links and club house of the Valley of the Moon Golf and Country Club are located. This land will be taken over by the new hotel corporation and not only will a splendid 18-hole course be constructed but permanent training grounds for the San Francisco Seals and New York Giants will be built also.

Part of the equipment of the hotel will consist of an enormous natatorium for hot mineral baths. According to Harry E. Speas, president of the new corporation, the hotel is to be built in the true Mission type and is to be the finest hotel in California of this character. It is planned to spend \$750,000, although the company is capitalized at \$1,000,000, according to articles of incorporation which have been filed with Secretary of State Jordan.

The directors of Mission Inn, Incorporated, are Harry E. Speas, Aven J. Hanford, R. G. Lichtenberg, Oscar H. Klatt, W. I. Fitzgerald, Arvid H. Bergstrom and Dudley D. Sales. Harry E. Speas, R. G. Lichtenberg, Oscar H. Klatt and Aven J. Hanford are directors of the Golden Gate Ferry and other corporations of California; Arvid H. Bergstrom is a member of the famous builders, Lange & Bergstrom; W. I. Fitzgerald is a prominent citizen of Sonoma county and Dudley D. Sales is a corporation lawyer of San Francisco and is also attorney for the Sonoma Mission Inn, Incorporated.

The officers of the new corporation are to be Harry E. Speas, president;

R. G. Lichtenberg, vice president, and Oscar H. Klatt, secretary.

It is planned to begin construction on the hotel this year and it promises to rival the famed Del Monte and the big resorts of Southern California. The new resort will have the big advantage of being less than a two hour trip from San Francisco and is ideally located on the slopes of the western foothills amid great rustic beauty.

The Bigelow place of 287 acres was under lease to the Valley of the Moon Golf and Country Club, which had a five years' option on the property. With the completion of the Golden Gate Ferry and opening of the Black Point cut-off, this magnificent estate and the adjacent Boyes Springs property famous for its mineral water and swimming baths, at once attracted the attention of capitalists. Its proximity to the old Mission and the historic environs of Sonoma add to its attractiveness. The Sonoma Mission Inn when completed will without a doubt become one of the most famed resorts of all California.

The present Boyes Springs bathhouse will be replaced by a luxurious and beautiful concrete, marble and white tile natatorium. The mineral swimming pool will embody the latest features. The bathhouse itself will be steam heated so that the health-giving waters may be used both winter and summer.

BANK TODAY BECOMES TRUST COMPANY BRANCH

Beginning today the former First National Bank of Sonoma, purchased by one of the leading financial concerns of the Pacific Coast, will be known as the Mercantile Trust Company of California, First of Sonoma Branch. There will be no change of local officers.

REBEKAHS, I. O. O. F. INSTALL NEW OFFICERS

Brilliant Evening In Local Fraternal Circles Was Joint Installation of Tuesday Evening.

Last Tuesday evening was a brilliant one in local fraternal circles, both Sonoma Lodge I. O. O. F. and Verdant Rebekah Lodge installed officers on that date in the presence of visiting grand officers and delegations.

B. F. Barnard, district deputy grand master of Healdsburg, assisted by a team from District 72, conducted the installation of the Odd Fellows. Elizabeth R. Gillett of Santa Rosa and a team from that city installed the officers of Verdant Rebekah lodge.

After the ceremonies the officers and visiting delegations were entertained in a royal manner by the local lodges. There was dancing, a banquet and general good time until a late hour. Speeches by B. F. Barnard and Elizabeth Gillett, installing officers, were of a high order.

One of the fine features of the evening was the presentation of an emblematic lavalliere to Mrs. Emily La Torres, for 10 years the efficient treasurer of the Rebekah lodge. Miss Edna Cooper made the presentation in a graceful manner.

The following officers for both

HARVEY M. TOY AND L. EVERDING HERE ON TOUR OF INSPECTION

Take Trip Over Black Point and Schellville-Santa Rosa Highway. Entertained at Boyes Springs.

Sonoma Valley had the honor of a visit from State Highway Commissioners Toy and Everding last Tuesday. The gentlemen, on a tour of inspection of Northern California highways, were met at Ignacio by a representative delegation of Sonoma Valley citizens who escorted them over the Black Point cut-off, pointing out the necessity of the completion of this important link between here and Sacramento and stressing the importance of finishing work which has been hanging fire for several years. The commissioners had the experience of contrast in traveling over the paved portion of this road and then striking the rough uncompleted section which extends to the Napa county line.

At Sonoma the commissioners and delegates were met by prominent business men and by the Boyes Springs and Valley Fire Department. Commissioner Toy was invited to ride on the big chemical engine and accepted.

HARVEY M. TOY, CHAIRMAN OF HIGHWAY COMMISSION

lodges were installed:

Sonoma Lodge No. 28, I. O. O. F.—P. G., G. B. Stickle; N. G., C. R. Taylor; V. G., G. Angove; Treasurer, Philip Bill, Sr.; Secretary, R. F. Abelle; Warden, V. Giorno; Conductor, H. J. Dunn; I. G., R. Cooper; O. G., L. S. Brubeck; R. S. N. G., Roy A. Pauli; L. S. N. G., F. Knolle; R. S. V. G., J. Vella; L. S. V. G., F. Giorno; L. S. S., C. J. Smith; R. S. S., H. Castagnasso; Chaplain, W. S. Dunn.

Verdant Rebekah Lodge, No. 99—P. N. G., Ethel Revie; N. G., Dorothy Bancroft; V. G., Anna Giorno; Receiving Secretary, Gladys Small; Financial Secretary, Jessie Hiser; Warden, Evelyn Fieger; Conductor, Bertha Warthorst; I. G., Katie Angove; O. G., George Angove; R. S. N. G., R. C. Bancroft; L. S. N. S., Emily Abele; R. S. V. G., Alice Young; L. S. V. G., Edith Barr; Chaplain, Emma Small.

It was pointed out to him by Chief W. B. Cause that the fire departments of the valley are interested, too, in the completion of our highway system, the department frequently making runs to the Foster ranch via the Black Point cut-off and to Kenwood over the Santa Rosa road.

At Boyes Springs Hotel the visitors were entertained at lunch through the courtesy of R. G. Lichtenberg, and from there went to Santa Rosa where they held a meeting with the Chamber of Commerce.

While making no definite promises, Messrs. Toy and Everding's attitude was evidently very favorable toward the completion of work started in this vicinity and the committees who met them were given every opportunity to point out the justice of Sonoma county's plea for the finishing of important arteries of travel into and through Sonoma Valley.

EL VERANO NEWS

By ARCHIBALD McKIVER

William Sutter of San Francisco was in town Sunday visiting relatives.

Mrs. H. G. Buck of Glen Ellen passed through here last week enroute to Oakland.

Harry Smith of San Francisco is in the Valley of the Moon for the benefit of his health.

W. W. Hall, poultry dealer, returned from a business trip to San Francisco last Saturday.

Miss Lottie Howard, popular El Verano teacher, spent the week end at her Glen Ellen ranch.

Mr. and Mrs. S. Rosenthal returned from a business and pleasure trip to San Francisco Monday.

Mr. and Mrs. C. Anderson of San Francisco were guests at the E. Cornelius home over Sunday.

Mrs. John Quadrio of the Family Hotel, after a visit with Berkeley friends, has returned home.

Mr. and Mrs. Sweeney motored up from San Francisco Sunday and visited with Mrs. C. McDevitt.

Mr. and Mrs. William Chance have gone to San Francisco, where they intend to make their home.

Willie Locarnini, expert auto mechanic, was on a sight seeing and business trip to San Francisco this week.

Mrs. T. Evans, daughter of Mr. and Mrs. J. N. Beach, has been visiting at the latter's home from San Francisco.

Miss Young of Berkeley came over from that place Saturday evening and spent Sunday with her sister in Sonoma.

Joe Escolle, Agua Caliente orchardist, has returned to El Verano after a tour of California in his new 1923 Hupmobile.

Mr. and Mrs. P. Zampa of Alameda motored over the Black Point cut-off Sunday and spent the day with relatives and friends here.

Fred Jensen of San Francisco has through our local real estate agent, T. H. Baines, sold 10 acres of his recently purchased Lewis tract land.

Bob Stanleigh, well known newspaper man and mechanical superintendent of the Sonoma Index-Tribune, motored to Berkeley over the week end.

Mrs. Flora Hagan left Tuesday morning for Sacramento to join her husband, who is now showing his Sonoma Valley motion picture throughout the state.

Down in the wilds of Schellville two feeble minded youths, who had escaped from the State Home at Eldridge, were captured by Deputy Sheriff Ryan and returned to that institution.

It is rumored that owing to the building of the joy city and the prospective growth of Verano, several candidates for mayor are now in the field, among them being Elmer Owens, S. Rosenthal and Al Johnson.

A wire has been received by the writer from Miss Viola Vineburg, pretty movie star, who is at Hollywood, informing us that she will soon come to Sonoma Valley again to assist Easy Jim in his editorial work.

Dan McCarthy returned from Oakland Saturday where he has disposed of his property at that place and will now devote his entire time to the Annadan summer resort in the western addition. Mac was formerly the owner of some fast race horses in

the good old days when they galloped 'em over the line at Emeryville, then the racing center of the west coast.

Jimmy O'Connell and wife, after a visit with his folks in Sacramento, returned to Boyes Springs, where the famous Californian will remain until the call comes from the big league to go east and get ready to star with the leading ball players of the world.

Billy Dowdall, who aspires to become a wild and woolly buckaroo, of sufficient ability to surpass the famous Millerick brothers, Will Rogers and others, has returned from Los Angeles, where he was in charge of several carloads of cattle recently shipped from here.

Miss Edith O'Connell of St. Luke's Hospital, San Francisco, sister of the \$75,000 base ball star, Jimmy O'Connell, is spending two weeks with her brother and Mrs. O'Connell at Boyes Springs. Miss O'Connell is delighted with Sonoma Valley and loves the scenery in and around the springs.

Louis Parente, sports promoter of San Francisco, was at Verano Sunday looking over property interests. His newly built hotel, which is one of the best equipped in these parts, will soon be opened for business at Verano, and with its large tented Joy City and other sky scrapers, Verano will be the Mecca of thousands of tourists the coming season.

Readers of the Sonoma Index-Tribune read with interest the newsy Vineburg items contributed last Saturday by the veteran and world famous correspondent, Easy Jim, who, owing to a recent mix-up with a Ford has been laid up for repairs. The pep he put in the news shows that the popular writer has fully recovered from his accident and that it is hard to down a good Irishman. Archie McKiver has missed his old side kick and brother reporter and is one of the many who welcomes back the wide awake correspondent of Vineburg.

The prospects for the Southern Pacific Company using the Sonoma geysers for power looks like a reality. Glad Hand McCormick and a number of leading rail officials have recently inspected the geysers above Santa Rosa and claim they will be able to drive every train within 500 miles of the geysers without using oil or fuel. If this should be done, Santa Rosa branch would be the principal line to the famous geysers of Sonoma county and other principal cities and would be the making of Northern California. For years the company has been anxious to electrify this line, and it looks like it may now be accomplished.

PACIFIC GAS AND ELECTRIC COMPANY

34th Consecutive Quarterly Dividend on First Preferred Stock

The regular dividend for the three months ending January 31st, 1923, of \$1.50 per share, upon the full paid First Preferred Capital Stock of the Company, will be paid on February 13, 1923, to shareholders of record at the end of the quarterly period. The checks will be mailed in time to reach stockholders on the date they are payable.

ROAD ASSOCIATION

MET TUESDAY NIGHT

The recently organized Sonoma Valley Road Association met Tuesday evening at the Sonoma City Hall, W. F. Clewe presiding. There were interesting reports from the various committees, and also a report on the status of the Schellville-Santa Rosa state highway as looked up in Sacramento by H. H. Jones, the civil engineer engaged by the association to look after Sonoma Valley's interests in road matters.

Frank Wedekind, of the committee on arbitration, reported that Judges Thompson and Campbell had appointed Messrs. F. M. Burris, T. Baines and F. Dobbie to arbitrate right of way claims. Mr. Burris stated that all deeds were in escrow and that his committee believed that satisfactory adjudication could be made in almost every instance. Less than four suits of condemnation will be necessary and once suit is filed work can be started, the progress of road work taking precedent over legal procedure in matters of this kind.

Following is the report of Engineer Jones, showing \$261,779.94 balance from the 1919 bond issue to complete portions of road between Schellville and Beltaine:

Santa Rosa to Beltaine, 11.73 miles net.

Beltaine to Schellville, 11.50 miles net.

Santa Rosa Beltaine Contract

This contract was awarded to Grant Smith Company, April 25, 1922. Contract time of completion 300 consecutive working days from the date of approval of contract by Attorney General. Approximate contract date of completion, May 8, 1923.

This contract calls for a roadway of oiled macadam 18 feet wide. Contract let to Grant Smith

Company for \$174,447.50

Material furnished by State

estimated at \$13,773.56

Total cost \$188,220.06

Beltaine Schellville Road

Roadway specifications the same as those of Santa Rosa Beltaine contract.

Specifications completed and ready for advertising of bids pending the acquisition of certain rights of way.

Engineers estimate for this section, \$271,787.38.

In the bond issue of 1919 no amounts were designated for any particular locality. During the session of the legislature of that year a bill was considered that proposed apportionment of various sums to stated localities and among those mentioned the highway considered above was included, but this bill failed to pass in committee by a very narrow margin. Inasmuch as this bill was the crystallization of opinion of the committee of 400, representing all parts of the state, the former State Highway Commission adopted the schedule designated by this bill and were carrying out its program to the letter.

That bill allotted \$450,000 for the construction of the aforesaid Schellville Santa Rosa road and it was the intention of the old Highway Commission to construct the same.

According to the above outlined program there is available for the completion of above discussed work \$261,779.94 in unsold bonds unless the present Commission should choose to set aside for the purpose that amount of money from the recent bond sale of \$5,000,000.

Respectfully submitted,

H. H. JONES,

B. H. Chambers of the finance committee reported over \$678 subscribed so far to finance the activities of the Road Association organized to speed up highway construction in this vicinity.

DR. LOWE COMING

Dr. J. P. Lowe, the eyesight specialist, will be in Sonoma at the Union Hotel on Feb. 3rd. Come in and meet him and have your eyes examined. The examination is free.—adv.

KNIGHTS OF COLUMBUS

AT SAN RAFAEL

San Rafael Knights of Columbus are preparing for an event that is expected to be the most epochal in the history of the council, when the major degree of Columbianism will be conferred on a large class of candidates Sunday afternoon, Feb. 4th, in St. Raphael's parochial hall. This exemplification will mark the first time in 13 years that the third degree will have been conferred on a class in San Rafael and Grand Knight James Groom and members of the Marin council are working diligently to make the great occasion a triumphant success for San Rafael Knighthood.

"Cases" from all parts of Northern and Central California will participate in the exercises, special trains and automobile parties being formed for the trip to San Rafael a week from next Sunday. District deputies and grand knights of the order from all sections of the state have already wired or written for reservations; and several prominent supreme and state officials of the Knights of Columbus will also be present for the ritualistic ceremonial.

CHIEF OF POLICE

NOW 79 YEARS OLD

James H. Albertson, city marshal and pioneer Californian, celebrated his 79th birthday last Sunday. A chicken dinner was enjoyed by the veteran chief of police and his family. Mr. and Mrs. Eaton were also over to congratulate him and spend the anniversary day in Sonoma. Jim looks as young as ever.

TAXES ARE NOW DUE

The second installment of the city taxes are due and payable on or before February 5, 1923, that being the first Monday in February, after which date they will be declared delinquent and 5 per cent added thereto.

J. H. ALBERTSON,
Tax Collector.

SONOMA VISTA LOCAL NEWS

Mr. and Mrs. Steinkamp have been having a vacation in the city for the past week.

Mrs. Louise Turner is spending the week end in Oakland on business and visiting friends.

Mrs. Fred Steurmer has been spending a few days in the city, visiting her daughter, Mrs. Gus Rapp.

Mrs. Evans and little daughter of San Francisco have been visiting the past week with the former's parents, Mr. and Mrs. J. N. Beach.

Mrs. Decker entertained a number of friends at whist on Thursday afternoon. Nice refreshments were served and some very nice prizes given.

Mr. Bosserman is doing the interior decorating of the new Bundesch residence in Vineburg and also Mr. Jakob's new residence in Schellville. He is assisted by Mr. Center, who is one of the new residents of Sonoma Vista.

The ladies still hold their whist games at the Sonoma Vista Club House Wednesday afternoon, and are always glad to welcome any of the ladies. A general whist party is held every Saturday night to which everyone is invited.

HARRY BURMESTER

HAS FINE POSITION

Harry Burmester is another Sonoma high school graduate who is now climbing to success. Young Burmester has secured an excellent position with R. G. Dunn & Company and has offices with this financial concern in the First National Bank building of Oakland. His territory extends from Oakland to San Jose.

Burmester is the son of Mr. and Mrs. H. D. Burmester of El Verano, his father being the present Worshipful Master of Sonoma's Masonic Lodge.

Friends of Joe English will be glad to hear he is recovering from his recent illness.

THE SONOMA INDEX-TRIBUNE
Editorial Column
Sonoma, Calif., January 27, 1923
Entered at the Postoffice at Sonoma, California, as second-class matter

Per Year, In Advance \$2.00
If Not In Advance \$3.00

GETTING TIRED OF IT

The vituperative attack in the Watters sheet because the Index-Tribune has seen fit to oppose the Industrial Farm for Delinquent Women is of too serious a nature to be answered here. The attack is only one of a series along the same line and is intended to injure the reputation of Sonoma's leading newspaper among those who may not know its real status and standing in the community.

As for the quotation "Let him who is without sin cast the first stone," it was in defense of this very precept that the Index-Tribune condemned persecution by pharisees and hypocrites in the past and refused to take program from self styled moral leaders.

The untrammelled, frank editorial policy of the Index-Tribune, has won it a high place among the newspapers of California and continued, wide sweeping defamation at the hands of a jealous rival is no longer to be tolerated.

THE WAIL OF THE WASTERS

As is to be expected, the new State administration is hearing a wail of woe from the wasters as the official process of retrenchment at Sacramento has begun to be felt by tenacious job holders. Officials whose only apparent function was to strengthen political fences are realizing that the new Governor has no use for a machine and little patience with many on the payroll as the result of the machine he went out to dismantle. Among the first in the junk pile are employees of the Inspector's Department of the Division of Motor Vehicles. Thirty-six hundred dollars worth of employees were dropped from the State's monthly payroll last Saturday as a result of this piece of retrenchment.

In connection with the retrenchment, the chief of the Division states that he will deputize a few men from the inspector's force for the purpose of enforcing registration. The number will probably not exceed three and they will be located one in Sacramento, one in San Francisco and one in Los Angeles. These men will in no wise be used for traffic or patrol duty. It is the contention of the department head that this feature of enforcement of the motor vehicle act should be left to local authorities.

The expense of maintaining the department was found to be prohibitive. Figures compiled set forth that 15 inspectors employed by the Division during the past year have cost the Department \$77,000.

The Division has purchased during the past two years automotive and other equipment for the inspector's department amounting to more than \$20,000. This equipment will be stored until provision is made for its sale.

WILL NOT SWERVE FROM DUTY

Harvey Toy, the new Highway Commissioner, is genuinely interested in the big job he has tackled and in proof of his real devotion to the task has declined the San Francisco mayorality plum. The new Governor's appointees all along the line will be found to have just this spirit. They are men of talent for the work assigned them and will not be swerved from their line of duty, no matter how flattering the inducements.

CALL FOR MEETING

A meeting to plan for the 100th anniversary of the founding of Sonoma's old Mission will be held Tuesday evening, Jan. 30th, at Sonoma city

hall. All organizations of the valley are requested to send a representative to this meeting.

W. L. MURPHY, Chairman,
Sonoma Business Men's Association Celebration Com.

Governor Richardson has state-wide acquaintance and a close-up appraisal of individual worth. He has a fine sense of discrimination, also, which accounts for his working force being something more than political puppets and opportunists.

STATE FARM FOR SOLDIERS MORE LIKE IT

A suggestion which is most opportune and one which will meet the approval of every reasonable-minded unbiased citizen of California comes from a Sacramento solon, who proposes, to turn the Delinquent Women's Farm property at Buena Vista into a home for soldiers gassed in the war, many of whom are now in asylums, the only present haven for such sad cases. California is called upon to assume more or less obligation in the matter of its shattered ex-service men and if it is established that our obligation is of sufficient proportion to justify a home for these wrecks of war, let us by all means support the measure prepared by the legislator. The farm at Buena Vista has all the elements of a beautiful, restful, rural spot where Nature would sooth the ills of those who sacrificed their health and strength for their country and perhaps restore them to normal. Not only has the place natural environment of beautiful and healthful climate, but we venture to add that the entire community will rejoice in the idea of converting the property from its present use to that of a soldiers' home. Sonoma Valley citizens would take pride and interest in its well-being. Then would social service and community effort to better the lot of unfortunates be in good order, with no skepticism attending religious service and all the good, strengthening influence we could bring to bear, unscuffed at and welcomed. Perhaps the farm would be a farm instead of a misnomer, for we are confident that with a practical man at the helm, the property could be made a fairly good, productive proposition, instead of a soft nest for women politicians and hard-boiled delinquents.

Granting that it might not be farmed and only known as a home, the people would gladly pay for butter, eggs, milk, cream and turkeys for soldiers, whereas they are perfectly justified in criticizing the Farm for Delinquent Women where all this stuff is bought for delinquents supposed to farm it.

The Farm, as it is, has proven a failure, both as a farm and a reformatory. However, the state has the property and that it is adapted for so laudable a purpose as a soldiers' home is fortunate. We commend it as such to our legislators.

The American people are "up in the air" about what our foreign policy should really be in the light of the gathering war cloud in Europe. The best propagandists will stabilize our national sentiment. Let us pray for an official appraisal of the situation and may it emanate from President Harding and his level-headed findings in the matter. We cannot get away from propaganda. The word has been maligned but it is none the less a factor in the stabilizing of public opinion in just this sort of a crisis.

The wife who fell in love with a piano tuner evidently needed harmony in the home.

THE CORNER DRUG STORE

No man nor women can enjoy life with a sour, sick or bloated stomach, or constipation of the bowels. Try a 25c box of L. R. Capsules. For sale only at the Corner Drug Store, phone 78, Sonoma.—adv.

VINEBURG NEWS

A very sociable home party was held at the home of Mr. and Mrs. Frank Groskopf on the Napa road on last Wednesday evening. The time was spent in music, singing, games and other amusements. A dainty supper was served, plates being laid for twelve.

John Batto & Sons have just received 5000 handsome branded bur-lap sacks, which they will use for their celebrated Bear Flag brand scratch feed. It goes without saying that the feed will make good as did the historic old flag whose name it bears.

Frank Allen, our genial tonsorial artist, intends to renovate his shop and put everything in shape for the summer, that is, if his landlord can get the lumber.

Mrs. August Figone and son of San Francisco were the guests of Mr. and Mrs. John Batto several days this week.

Colonel Robert A. Poppe, Sonoma's veteran attorney, was transacting business in this vicinity on last Thursday.

Mr. and Mrs. Frank Knolle, Sr., for some years residents of Vineburg, have moved to a new home near Sonoma and their many friends here wish them success and happiness in their new home.

Henry Rubke is making many new improvements around his property in this place, but owing to the inclement weather, work has been slow.

MAY LOCATE HERE

A. D. Shipaugh, former newspaper man and printer, was here from his home in Nevada this week with a view to locating in Sonoma Valley. Mr. Shipaugh has worked on some of the biggest papers in the United States, but has decided to retire and enjoy the delights of a small farm. He would be a decided acquisition to this section.

RALPH BUCHAN'S AR- RIVE FROM HONOLULU

Mr. and Mrs. Ralph Buchan and six months' old son, Ralph Edson, arrived Monday on the Cambria from Honolulu and will visit for a month with Mr. Buchan's folks in Sonoma. Buchan, who is chief pharmacist's mate in the Navy, has left Honolulu after three years there and will be attached to the Pacific fleet here. His wife was formerly Miss Betty Johnson of Sioux City, Ia., and their interesting little son was born in the Islands.

Yesterday a number of relatives of the visitors were entertained by Mrs. Kate Buchan, who gave a birthday party to her son. The decorations were Hawaiian. Among those here for the happy event were Mr. and Mrs. Arthur Fisk (Marjorie Buchan) and daughter Phyllis. Mrs. Fisk is a press reporter on the Monterey Cypress and is enjoying her new work in journalism.

CATHOLIC CLERGY IS ENTERTAINED HERE

The St. Francis parochial residence was the scene of the annual gathering of Catholic clergy of Sonoma county on Thursday. The visiting priests were accompanied by friends from other nearby parishes. Their visit on the eve of the beginning of construction on the first permanent church building in Sonoma county was of much interest. They discussed plans for the corner stone laying. The following priests participated in the pleasant gathering:

Fr. Kiely and Fr. Crowley, Petaluma; Fr. Bertola, Tomales; Fr. Delahunty, Cotati; Father Long, Fr. Rathens, Santa Rosa; Fr. Ryan, Guerneville; Fr. Bandini, Healdsburg; Fr. Dollard, Sebastopol; Fr. McCarthy, Yountville; Fr. Motherway, Suisun; Fr. Barron, San Francisco; Fr. Hollahan, San Francisco; Fr. Byrne, Sonoma.

Statements, billheads, loose leaf ledger sheets, etc. Index-Tribune Job Printing Department. Phone 68-W.

BUTTERMILK FOR CHICKENS
We are in receipt of regular supplies from San Francisco of but-

ter for chickens. Nothing better for the flock. 4c per gallon at Sonoma Mission Creamery.—adv.

MISSION CREAMERY MAY SUPPLY UNCLE SAM

The Sonoma Mission Creamery has jumped into the competitive class for some of Uncle Sam's big business and recently Joseph Vella, of the firm, received a letter from the Navy Department, Bureau of Supplies and Accounts, stating that Sonoma's manufacturing plant had been placed on the list to receive schedules relative to supplies required by the government.

Mr. Vella's aim has been to increase the volume of the business so that Sonoma Valley produce might gain national recognition. That he has been successful and stands a good chance to furnish the Navy with butter and cheese from the Valley of the Moon is a splendid boost for this section and should be an incentive to the local dairymen to increase the quality and quantity of their produce. The Mission Creamery disposes of about 1500 pounds of butter daily in San Francisco market and is increasing its output right along.

Mr. Vella states that while all of Uncle Sam's business is on a bidding basis, he feels confident that his firm can quote attractive prices to the Supply Department and will be able to furnish the Navy dairy produce that will come up to the highest standard.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the application of California Telephone and Light Company for an order of the Railroad Commission authorizing it to establish and make effective messenger charges for delivering telegrams and telephone messages.

Application No. 8566.

Notice of Hearing

Notice is hereby given that the Railroad Commission of the State of California has set a hearing in the above entitled matter before Examiner Satterwhite on Thursday, February 1, at 1:00 p. m. in the City Hall at Santa Rosa, California, at which time and place all interested parties may appear and be heard.

BY ORDER OF THE RAILROAD COMMISSION.

Dated at San Francisco, California, this 18th day of January, 1929.

H. G. MATHEWSON,
Secretary, Railroad Commission of the State of California.

NEWLYWEDS' RECEPTION TO THEIR FRIENDS

Mr. and Mrs. Luigi Bertelotti, newlyweds, gave a reception to a number of their friends last Saturday evening. Their pretty home in the Sebastiani tract was the scene of merry-making until a late hour. Late records furnished up to date music and there were speeches, toasts and operatic selections by A. G. Perret, who sang, The Berceuse of Joscelyn and an aria from Martha. Miss Sabina Sebastiani assisted Mr. and Mrs. Bertelotti in entertaining the guests. All had a splendid time and wished the young couple many years of happiness.

ADS BRING GOOD RESULTS

Advertisements placed by the Southern Pacific Company in the Sonoma Index-Tribune and in more than 500 other daily and weekly newspapers during the last few weeks, calling attention to California's resources and opportunities and inviting readers to send to the railroad company the names of friends in the East or elsewhere who might be interested in making their home in California, have brought strikingly good results.

On Jan. 16th, just a month after the appearance of the first advertisement, the company, it was announced yesterday, had received the names of 15,125 potential settlers. Every one of these now knows what California has to offer him.

To each Eastern prospect has been forwarded the latest literature containing authentic and detailed information about this state. Also a letter has been sent to each one advising him that when he decides to come West the company's nearest representative—to whom an addressed card is enclosed in the letter—will call on him, arrange his transportation and place the Southern Pacific's full service to tourists and settlers at his disposal. Chambers of Commerce all over the state have been furnished with the names sent in from their respective sections and have established direct connection with the prospective settlers.

"Results justify our faith in newspaper advertising. The Southern Pacific which has spent millions of dollars attracting the highest type of settlers to the Pacific Coast is well satisfied with the present campaign. We have received splendid co-operation also from all Chambers of Commerce," said Traffic Manager Charles S. Fee.

NOTES ON THE HIGH SCHOOL DEDICATION

The auditorium of the new High School, Friday night of last week was an inspiring sight, filled with proud school patrons, distinguished guests and happy students. The old and new generation met to participate in the impressive dedication ceremonies. The stage, with its rich new draperies and the added charm of floral tributes and state and national flags was a fine setting for the assemblage of gifted speakers and honorary vice presidents. In addition to the present Board of High School Trustees, Messrs Cassidy, Hays, Just Bish and Helberg, former loyal members of the Board, Robt. P. Hill, Mont Akers, Ed Steiger, F. T. Duhring, Walter Bundschu, Mrs. Frances Young and Mrs. Ella Woodworth James Tate and F. C. Cutter were proud participants.

Beautiful baskets of flowers, bearing congratulatory messages from the Central Commercial and Savings bank, the Sonoma Parlor of Native Daughters and Mr. and Mrs. A. W. Adler were the gifts of these educational well wishers and called forth a pretty compliment from Justice Emmet Seawell.

Judge Seawell gave a fine characteristic talk, but the words which will live longest in the memory of all present, was his beautiful tribute to the flags which he presented to the school from the Native Sons of the Golden West. Rich in rhetoric and noble in sentiment, the presentation speech was the outstanding feature of the evening.

Hon. Will C. Wood of Sacramento, State Superintendent of Public Instruction, paid high tribute to Sonoma's enterprise and pointed out that educational plants such as this, are investments, not an expense. Mr. Wood likened education in California to the state's gold, and said it was indeed a precious asset.

Ben Weed, well beloved old time principal of the Sonoma High School was greeted with rounds of applause and read a most excellent paper on "Loyalty," always associated with this brilliant man of letters, now of the English department of the Mission High School, San Francisco.

Watmaugh district reports that it was represented among the audience by Mr. and Mrs. C. C. Champlin, Trustees Tallman and Douglas, Miss E. Leshner, Vernon and Althea Douglas, Roy DeGrange, Mrs. Campbell and others.

County Superintendent of Schools Louise Clark, gave a short but graceful talk.

The beautiful soprano solo of Miss Zolita Bates were pleasing interludes to the evening's superabundance of fine oratory.

Principal L. H. Golton proved himself a talented and forceful speaker and closed with a brilliant summary of the school's high purpose.

President of High School Trustees George Cassidy presided in happy style and made speakers and audience feel right at home.

The High School Orchestra, directed by Instructor Lyle Campbell, won high praise for the classic numbers rendered. The Glee Club, too, came in for much favorable commendation.

Those who came to inspect the building were more or less disappointed on account of the temperamental conduct of the building's lighting system. It appears that the transformer which controls the current was too small and suddenly refused to function. The defect has now been remedied and the lighting system is one of the fine features of Sonoma Valley's new \$100,000 school.

PROMINENT BUSINESSMAN GOES TO HOSPITAL

A. Maffei, proprietor of the Broadway Meat Market, went to San Francisco Wednesday where he entered St. Francis Hospital to undergo an operation for an old ailment. Maffei's many friends in Sonoma valley wish him speedy recovery and that he may soon return to his home and family. He is an Elk, and one of the most popular young businessmen of Sonoma.

GLEN ELLEN TO GIVE BENEFIT FOR NEW CHURCH

The people of Glen Ellen and vicinity announce a grand benefit dance at Pancrazi auditorium on February 10 to aid the rebuilding fund of St. Francis parish. A contract for the new church has just been let.

Miss Eileen Cowan is active on the committee arranging this social event.

BUNDSCHU HOME**

What promises to be one of the finest country homes in the county is being rapidly completed on the Walter Bundschu grape farm nestling in the hills east of Sonoma. From the floor of the valley for many miles the brown stone used in the construction of the house can be seen a creamy brown against the heavy green of the wooded hills.

A long tree-bordered drive through the broad, sloping vineyards make an appropriate approach to the handsome dwelling.

The drive winds around the old "Rhine Farm" ranch buildings, circles to the top of a knoll and comes to a halt beside the big house, overlooking the sweep of the grape acres below and the floor of sunny Sonoma valley.

The house is built of stone quarried from the backyard hills, and is topped off with old country shingles. The floor plan is after the court style, in the center of which Bundschu plans to build a fountain and garden. A stroll through the uncompleted house is filled with surprises. Here and there are little angles, corners and flights of unguarded Italian stairs of stone. In the lower front rooms of the house with great windows overlooking the valley, are huge fireplaces. Upstairs are large guest rooms, reached by the Italian stairway from the court, or a winding stairway from the interior of the house. The garage, built from the same material as the house, are connected to the right wing. A service basement is built beneath the main structure.

Rhine Farm was established in 1858 by the grandfather of the present owner. The old settler was struck by the similarity between this ranch and his home country in the Rhineland, so he called it "Rhine Farm." The original ranch was 200 acres, operated by the family corporation. Eighty-six acres were sold off when the dry laws were passed.

At that time Walter Bundschu who was superintendent of the winery on the place, bought 115 acres of it. Walter is ranching now, selling pears and grapes, thirty acres of the place being in pear orchard.

At the time of his purchase three years ago, the present owner disposed of the wine, dismantled the winery and prepared to build himself a ranch home. The old house lower down the knoll was built in the '60's.

When asked what he thought of the grape industry now, the owner of Rhine Farm summed it up in one word, "Precarious." It is a shame more growers do not join the exchange, it is of vital importance to us all.

Down in front of the old home, beside a playing fountain and a shallow pool, are several big cork-oak trees, planted there by the original settler in 1862. The acorns were secured from the United States government. Bundschu said, and to this day the pomologists at Washington evince considerable interest in the trees. "Cork trees are rare in this country," said Bundschu. "The chief pomologist at Washington has photographs of these trees in his office, and every once in a while someone from the Capitol comes to inspect the trees."

—Santa Rosa Press Democrat

**SOPHRONIA ROSS WILL
IS FILED FOR PROBATE**

F. B. Ross filed a petition Monday for the probate of the will of his mother, the late Sophronia Ross, who left property valued at not to exceed \$10,000, consisting of cash, notes, United States bonds and 12 acres in Green Valley known as the James Ross ranch. The will, dated June 21, 1921, is witnessed by R. M. Barrett and F. Williamson of Santa Rosa, and named the petitioner as executor.

The property goes to the children and a grandson. Grant A. Laughlin represents the estate.—Santa Rosa Press Democrat.

FOR OVER 40 YEARS

HALL'S CATARRH MEDICINE has been used successfully in the treatment of Catarrh. HALL'S CATARRH MEDICINE consists of an Ointment which quickly Relieves by local application, and the Internal Medicine, a Tonic, which acts through the Blood on the Mucous Surfaces, thus reducing the inflammation. Sold by all druggists. F. J. Cheney & Co., Toledo, Ohio.

**AN EXPENSIVE PICTURE
COMING TO DON THEATRE**

Cosmopolitan's big production, "When Knighthood was in Flower," starring Marion Davies, which shows at the Don Theatre, Saturday and Sunday evenings, January 27th and 28, is said by its producers to be the most expensive motion picture ever made, having cost more than a million dollars. Joseph Urban designed the settings in which are rare art treasures gleaned from both Europe and America.

James Murray, fencing master at the New York Athletic Club, was engaged to supervise scenes in "When Knighthood was in Flower." Mr. Murray declares that in his thirty years experience as a swordsman in Europe and this country, he never saw such strenuous assaults at arms.

Among the expert swordsmen engaged in these scenes were two German barons, one Italian and one French count, all of them with records as duellists. Guy Coombs used to teach fencing at the Academy of Dramatic Arts, while Forrest Stanley and Ernest Glendenning are experts with the foils.

The surprise of the picture, however, is the prowess with the small sword displayed by Marion Davies in the stellar role of Princess Mary Tudor. Disguised as a boy in the tavern scene she crosses blades with the swashbuckling adventurer, and starts the melee which involves the whole company in a free-for-all sword fight.

SYLVIA PICETTI TO BE BRIDE

Announcement has been made of the engagement of Victory Millard, popular Napa boy, and Miss Sylvia Picetti, charming daughter of L. Picetti, wealthy vineyardist of Sonoma Valley and who has been making her home in San Francisco.

The prospective benedict is the son of Fred Millard of this city. He is a young man of sterling qualities and recently he was promoted by the Shell Oil Company, with which concern he has been the past few years, to the position of salesman from deliveryman.

The bride-elect is very popular in Sonoma county and has hosts of friends in San Francisco, where she has been holding an important position in the office of a large firm.

The wedding date has not been announced.—Napa Register

Miss Picetti's fiancé is a brother of Mrs. Arthur Coops at whose home the young couple first met.

**YOUNG COUPLE
MARRIED LAST SUNDAY**

Miss Emily Pollini became the bride of John Tognetti at a quiet ceremony last Sunday at St. Francis church, Rev. Father Byrne officiating. The bride is a pretty young Sonoma girl and the young couple will reside on their ranch near Petaluma where the groom is a prosperous dairyman of that section. Mr. Tognetti formerly leased the Emparan ranch here.

**MASONIC INSTALLATION
ON FEBRUARY SIXTH**

Tuesday evening, February 6th is the date of the installation of officers of Temple Lodge F. & A. M., to which Masons and Eastern Star and their families will be bidden. The recently improved Masonic temple will be the scene of the impressive ceremonial.

**FRANK ENGLER TAKES
LICENSE TO WED**

Frank Engler, prominent young railroad man and over-seas war veteran, took out a license in San Francisco Tuesday to wed Miss Gladys Sylvester of San Rafael. Engler is a son of George Engler, retired farmer and capitalist of Sonoma and a brother of Mrs. Arthur Drake of Santa Rosa. His bride is a pretty young belle of Marin county.

The couple were here recently visiting at the Engler home.

IMPORTANT REALTY DEAL IN SONOMA

One of the most important deals in town realty for some months past is the purchase of the Fred Bulotti block on Napa street by F. M. Burris, local capitalist. The property has a frontage of 75 feet on Napa street and 25 feet on First street West. It is improved with a two story brick building of substantial construction, the lower floor being stores and the second story occupied by professional men. Mr. Burris states that he has faith in Sonoma's future and bought the property as an investment.

The Bank of Italy is said to have considered purchasing this corner for its banking house when negotiating for the First National Bank. The successful purchaser of that institution, the Mercantile Trust Company, is said to have never considered the matter of a move.

SAN FRANCISCO SHOWER FOR BRIDE-TO-BE

Miss Helayne Volquardsen was given a shower Tuesday in San Francisco by her sister-in-law, Mrs. Lealand Volquardsen. The invited guests were Mesdames E. Arbogast, F. Helberg, Jr., C. Holubar, Jr., L. J. Volquardsen, F. Helberg, C. Holubar, D. Volquardsen, D. Tholke, G. Cochran, E. Straub, G. Wolf and H. Boye, and Misses Clayton, Helberg, Tholke and Volquardsen.

SHOWER FOR FAIR BRIDE-TO-BE

Yesterday afternoon at the home of Mrs. Will Clewe a shower for Miss Ethel Evans, fiancée of David Potter, was given by St. Barbara's Guild. Many beautiful gifts were showered on the popular young teacher of San Luis and a delightful afternoon was enjoyed by the matrons and maids of the Guild and their guest of honor.

Watson Hickin of Agua Caliente has gone back to San Francisco to resume his trade as a sheet metal worker with one of the big corporations.

Mrs. C. E. Jessen of Schellville was presented with a pretty tea set recently by the Eastern Star Lodge in token of long and loyal services as warden of the organization.

Dancing Egg of a Bug. Shasta county, California, is the land of wonders, according to the Los Angeles Times. The latest is the dancing egg. It is laid by an as yet undetermined insect on the leaves of oak trees. Masses of these eggs cling to the under side of the leaf and as they advance toward maturity they drop to the ground and dance about.

By holding an oak twig containing any number of eggs to one's ear a cracking sound may be heard like the splitting of electric sparks. The shell contains a tiny grub, working for release.

When laid on a table these eggs bound about and spring into the air, sometimes to a height of sixteen inches. They are particularly active in the early morning.

This latest insect novelty takes rank with the sulphur bug, which is at home in the red-hot rooster oil.

GRAND OPENING OF NEW CLUB HOUSE

Sonoma Valley Improvement Club Had Fine House Warming Wednesday Evening.

The enterprising members of the Sonoma Valley Improvement Club at Feters Springs formally opened their new home Wednesday night, the spacious club house recently erected being thronged with loyal boosters and well wishers. Many valuable prizes were disposed of for the benefit of the club house debt and there was much enjoyment and congratulation among lucky winners. The card tables were thronged with whist enthusiasts any a tally of scores showed prize winners to be Matt Bock, B. H. Chambers, Mrs. Bosserman, J. Cazes and others. Music for dancing was furnished by Nimpfer's orchestra and there were several impromptu vocal numbers by talented folks present.

The club president and other boosters, including Messrs Beach and Chambers gave enthusiastic talks for community progress.

Over 150 people attended the auspicious opening of this thriving improvement club and a substantial sum was realized toward paying for the pretty new home built recently by the organization. The committee who arranged the affair desire to thank all who contributed to the success of the evening and generously donated toward the good cause.
